# SIGNATURE FACIALS

All signature facials are \$90, and they are based on a skin analysis and your individual skin care goals.

## CONTROL YOURSELF; OILY SKIN

This facial packs a punch with natural astringents, exfoliant, and oil busting ingredients, while pampering your oil prone skin.

## SAY GOODBYE TO DRY

Rejuvenate, revitalize, and hydrate with this moisturizing facial.

## BALANCING ACT; COMBO SKIN

This facial will cut oil productions with natural astringents and detoxify without stripping your skin.

## STOP BEING SENSITIVE

Designed for sensitive skin. Our unparalleled formula is finely tuned to wash away impurities without disturbing your skin's pH balance.

## LET'S BE CLEAR HERE

Purify your skin and combat acne. Clearing your pores of excess oil and congestion responsible for future breakouts.

## BEAT THE CLOCK; ANTI-AGING

Beat signs of aging with our specially formulated line of products, helping hydrate, brighten, and tighten mature skin.

# CHEMICAL PEEL FACIALS

## GLYCOLIC FACIAL | \$110

This helps to even out skin tone, reduce hyperpigmentation/acne scarring, smooths fine lines and wrinkles, and adds a glow and luster to the skin.

## SALICYLIC FACIAL | \$110

Helps to reduce the appearance of blackheads and whiteheads, visibly shrink the appearance of pores, control oil production, and lighten hyperpigmentation/acne scarring.

# REJUVENATION FACIALS

## EXPRESS DERMAPLANING | \$95

This facial includes a double cleanse, a kick start exfoliation with AHA/blend and dermaplaning performed by a licensed Esthetician or Master Esthetician.

## DERMAPLANING WITH DELUXE TREATMENT | \$150

This treatment includes everything from the "Express Dermaplane" followed by extraction so (if necessary), facial massage, and a nutrient rich masque customized for your specific needs and concerns.

## GALVANIC FACIAL | \$110

This facial uses direct galvanic electrical current to introduce water-soluble substances through the surface of the skin in an effort to improve ingredient absorption and moisture retention. Great for mature, sensitive, and dry skin types

## MICRODERMABRASION | \$80

The use of manual exfoliation to remove outermost layer of the skin. This helps to get rid of acne scarring, hyperpigmentation, texture, uneven skin tone. Works best in a series of six treatments.

# MICRONEEDLING+

This treatment is otherwise known as collagen induction therapy, and it involves repeatedly puncturing the skin with tiny, sterile needles. Great for reducing the appearance of scarring, hyperpigmentation, acne, and fine lines and wrinkles. Take home product is included in the price of this service, and a consultation is required a week before the service.

# HIGH FREQUENCY FACIALS

All of these facials use a safe and gentle concentrated form of electricity to produce heat and tone the skin, providing the skin with many oil busting and anti-aging benefits.

## HIGH FREQUENCY ACNE FACIAL | \$120

Do you have stubborn acne that just won't go away? This facial is the one for you. It includes a cleanse, exfoliation, extractions, high frequency, and a soothing masque.

## HIGH FREQUENCY ANTI-AGING FACIAL | \$125

This facial uses high frequency electrical current to increase collagen and elastin production of the skin and in turn lessening the appearance of fine lines and wrinkles. Works best in a series of treatments.

## HIGH FREQUENCY BEARD FACIAL | \$125

Have trouble with ingrown hairs, dryness, or itchiness in your beard? This is the facial for you! It helps to close off the follicle and prevent ingrown hairs, aids in hair growth, and hydrates the skin while also focusing on your skin's underlying conditions.

All facials without a price require a consultation before the date of the service to determine pricing!
